Maths Measuring	Family Activity	Maths My Maths
Choose some objects around your home. Measure them in different ways if you can. How long or tall? How heavy? If it can contain a liquid, how much does it contain? Can you record in m and cm, ml and l, g and kg? *(To be completed by 27th January)*	Go looking for signs of spring on a walk around the village. Look out for spring bulbs and leaves beginning to grow. Listen for any birds beginning to sing.	Two new activities have been set. School log in: **Username-elvington** **Password-elvington** To be completed by 9th January
Go and Climb a Huge Hill Close to home you could walk up the hills around Millington! (Taken from *50 things to do before you're 11¾ from the National Trust*).	Art Make an outside sculpture Research Andy Goldsworthy's work. Use twigs and outside materials to make a sculpture. Give it a title. Take a photograph so I can see your work.	Baking Make a cake for Valentine's Day. Can you decorate it? Share with your family. You could take a photograph or draw a picture of your cake.
Writing Write a book review for one of the books you have read from the classroom. Tell your friends if it is good and why they should read it. Please bring in by Friday 27th January to be included in a book review booklet.	Science Use a torch to investigate the darkest places in your home. Find the darkest place. Make a list of the five darkest places in your home. Complete by 13th January	Make a shadow puppet Bring it in to share. We could have a puppet show using the whiteboard as a background. It could be an animal or a person. You could give it a name and make up a simple story about your character. *To be completed by 3rd February.*
