

Sports Premium Grant Spending plan - September 2021 to August 2022

The staff at Elvington CE Primary have decided to spend the allocation of funding as follows:

- To increase teacher confidence in delivering high quality PE in order to strengthen teaching and learning across school.
- Support, enthuse and engage all children in a range of physical activities.
- Pay for professional development opportunities for teachers in PE and sport in order to support teachers in delivering high quality PE.
- Increase pupil participation in sport and physical activity throughout the school day. Paying attention to those children who do not participate in any after school clubs.
- To offer a wide range of high quality after school sports club provision in a range of sports.
- Increase opportunities for inter-school competition.
- Improve resources to support the delivery of physical education both in curricular and extra-curricular time.
- To promote a healthy lifestyle by promoting a healthy lifestyle.

We ensure that improvements made are sustained and sustainable by; taking and teaching children to take good care of purchased resources; continuously building on our long term productive working relationships with sporting organisations such as Jorvik SP and York City Knights and by sharing among staff new skills, knowledge and resources from CPD through staff meetings and training. The impact of the grant on our pupils is reviewed annually.

Sports Premium is funded in financial years; whereas school planning is based on academic years. It is anticipated that a broadly similar grant will be allocated in the next few years. We expect to have funding for the amount;

£1 6000 + £1 300(£10 per pupil)=£17 300

Carried Forward from 2019-2020= £3 860

Total available=£21 160

Sports Premium Grant committed/ **Planned** Expenditure:

Autumn term

Activity	Details	cost	Expected Impact	Evaluation
