

Summer 1- Year 1- Homework Grid

Weekly Activities: Reading daily, phonics homework and spellings, times table practise, one piece from the grid.

Record your homework grid piece in this book. Feel free to be creative! Use colours, IT or photographs

<p><u>Design a new type of Dinosaur!</u></p> <p>This half term, we will be writing about a dinosaur we have created. Spark your imagination by creating a dinosaur at home. You could draw, paint or sculpt your dinosaur! We would love to display these in school. Challenge- Add adjectives to describe your dinosaur around the edge. To be completed by 19.05.23</p> 	<p><u>Keeping fit and Healthy!</u></p> <p>In PSHCE, we will be learning about how to keep fit and healthy.</p>  <p>Create a poster with top tips explaining how you could keep fit and healthy.</p>	<p><u>Online My Maths Activities</u></p> <p>Your child will now have a login within their planner to MyMaths. School login:</p> <p>Username: elvington Password: elvington</p> <p>I will set two activities this half term on My Maths.</p> <p>Complete by 19.05.23</p> 
<p><u>Recount- Easter Holidays or a Weekend</u></p> <p>This half term, we will be writing a recount about our trip. Choose either the Easter holidays or a weekend and write about what you did. Include:</p> <ul style="list-style-type: none"> *Adjectives *Capital Letters and Full Stops. <p>To be completed by 12.05.23</p> 	<p><u>Family Activity- Cookie Fossil Dig!</u></p> <p>Become a palaeontologist with a chocolate cookie. Use a tooth pick and a paintbrush to dig for chocolate chips as if you were digging for fossils.</p>  <p>Extension: You could create your own chocolate fossils.</p>	<p><u>Become a Pirate!</u></p> <p>We will be looking at compasses this half term and learning different directions (North, East, South and West).</p> <p>Create a pirate treasure map. Hide some treasure on your map. Add directions to the map including the vocabulary: north, south, east & west.</p> <p>To be completed after 25.05.23</p> 
<p><u>No.26 Hunt for fossils and bones</u></p> <p>Journey back in time and search for clues to the life of animals and plants from the past. Fossil and bone hunting is mammoth fun for all the family! (Taken from 50 things to do before you're 11$\frac{3}{4}$ National Trust).</p> 	<p><u>Habitats</u></p> <p>Choose a minibeast and find out where they live. Create a model, a real life home or a drawing of where your chosen minibeast lives.</p>  <p>Challenge- Can you find out what things the creature needs to survive?</p>	<p><u>Wild Art Portrait</u></p> <p>We will be learning about the famous sculptor Andy Goldsworthy. He creates pieces of Art using natural resources. Create a portrait of yourself or a family member using only natural materials outdoors.</p>
