Th		Phonics	Maths			Literacy				EYFS - People, Cultures and Communities Yr1 - RE			Playtime	Collective assembly
F		Phonics	Literacy			Maths				EYFS & KS1 Topic				Sharing Assembly

How can you help at home?

- **Reading-** Please read with your child for at least 5 minutes every day. After reading, please record this in your child's planner. This could just be a well done and the page number.
- **Phonics-** A phonics task will be given once a week linking to the sounds/words we are focusing on in class or a news book activity. Also, Year 1 children will be provided with a list of 6 spellings linking to the phonics work. Year 1 will continue to have a mini spelling quiz in class each Friday. Phonics and spelling homework will be given every Friday and should be returned the following Thursday.
- **Homework books-** This half term, there will be a grid of tasks linking to our topic theme "Splish, Splosh, Splash!". Each week, your child should try to do one task from the grid and return it to school by the following Thursday to be marked. **Compulsory activities are highlighted in purple and should be handed in on the date specified.**
- **Times Table Rockstars or Numbots-** Please encourage your child to continue to go on Numbots in EYFS and use Timestable Rockstars in Year 1. The children can refer to their planner to find their password.
- **Super Start and Fabulous finish -** To launch the new topic of 'Splish, Splosh, Splash!' we will enjoy the outdoors and create a big seaside scene. Our finale to our topic will be bringing our seaside scene to life as we venture to the beach! Oh we all love to be beside the sea!

Year 1 Learning Tree – Summer 2

Science

Living things and their Habitats

Looking at different habitats that animals live in. Describing how animals get their food from plants and other animals by beginning to look at simple food chains.

Geography

Continuing our work with compasses from Summer 1 to help us create our own maps. Looking at key physical and human features and where we might find these.

Art & Design Technology:

- *Developing our Art techniques to create beach scenes using printing, patterns and outdoor materials.
- *Creating our own yummy ice lollies.

Religious Education

How should we care for the world and for others?

PSHCE

- *Looking at our achievements in Year 1 and setting targets to improve.
- *Discovering how we change and grow from young to old.

Bookshelf

English

Story- linking to the book, **Smiley Shark**.
Letter- linking to the story, **The Lighthouse Keeper's Lunch**. Year 1 will write a thank you letter to EYFS for the sandwiches they will make.
Instructions- Explaining how to make yummy ice lollies.

Maths

- *Measurement (capacity, length and mass)
- *Recap of all four methods (+, -, X, ÷)
- *Statistics
- *Time
- *Money

Computing

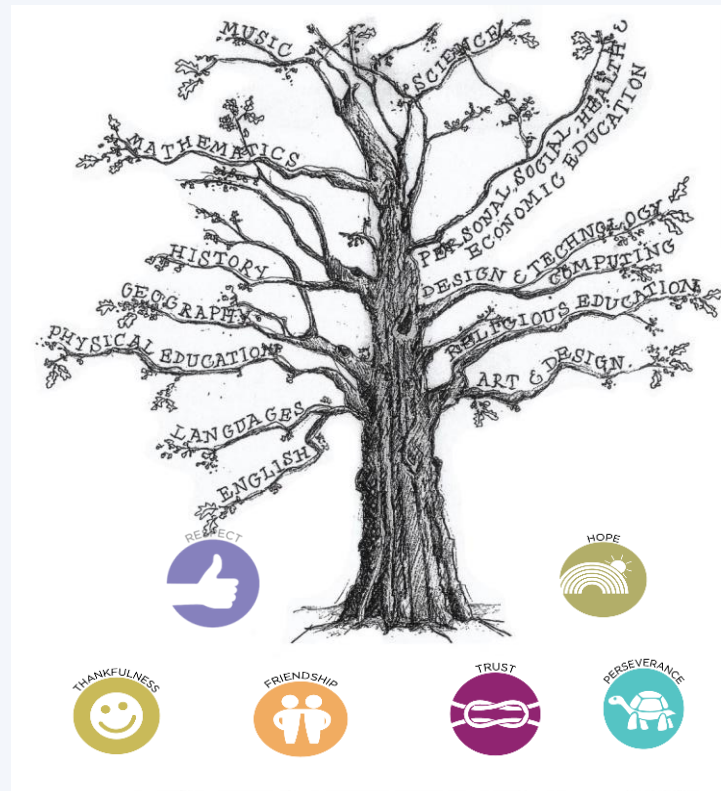

Programming and Coding

*Learning all about algorithms and how to use them on Purple Mash to make items move on a screen.

P.E

Games- Developing our team work skills by playing group games and inventing games.
Outdoor Adventures- Following simple routes and pathways.

Super Start- Art Day! Let's get creative and enjoy making Ice Pops!

Fabulous Finish- Whole School visit to the beach.
