

Results 2022/23

We are very proud to be able to share with you our end of key stage data for the academic year 2022-23. Our children have achieved wonderful results throughout school.

In recent years, Governmental changes have resulted in heightened expectations throughout all primary schools. Elvington's staff team have worked incredibly hard to quickly adapt to such changes and to ensure we always uphold the highest of expectations. As a result of continual hard work and relentless improvement, our children have achieved exceptionally high standards (despite the challenges of the COVID-19 pandemic).

We are very proud that a high proportion of our children attain significantly above national comparisons, not only to attain the expected standard, but go beyond this to achieve greater depth. This represents many years of hard work and dedication from the beginning of Early Years to Year 6.

Huge thanks to the children, parents/carers and staff on an incredible set of results.

Yours sincerely,

Mr. Andrew Buttery

EYFS:

86% of pupils achieved a good level of development in 2023 (Local Authority 69.6% (2023) and national 65.2% 2022) **+21%** when compared to national.
