F	Phonics	Literacy		Maths				Topic	Playtime		Sharing Assembly

How can you help at home?

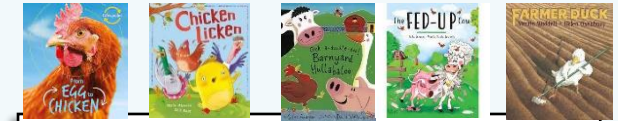

Reading - Please encourage your child to read their home school reading book. This should be for no longer than 5 minutes each evening. After reading please record this in your child's planner. This could just be a well done and the page your child will be on next. Each week you will be given a Little Wandle book and a Bug Club book to read that are linked to your child's phonics knowledge.

Phonics- A phonics task will be given once a week linking to the sounds/words we are focusing on in class. Phonics homework and the flashcard pack will be given out each Friday and should be returned the following Thursday.

Homework book- Your child will be provided with a "Homework Book". This half term, there will be a grid of tasks linking to the topic "Superheroes" covering a range of curricular areas. Each week, your child should try to do one task from the grid and return it to school by the following Thursday to be marked. **Compulsory activities are highlighted in purple and should be handed in on the date specified.**

Numbots and TT Rockstars - Please encourage your child to go on Numbots and enjoy learning all about numbers.

Topic: Squelch, Squelch Welly Boots!

Bookshelf

Personal Social and Emotional Development

Making Relationships
To make friends with someone different.
