What does the Queen wear on her head?

Where do you think all the Crown Jewels are kept? Share images of the Tower of London and then encourage your child to build their own Tower of London. This may be using boxes of different shapes and sizes, Lego bricks or even cushions. Together try and name some of the shapes and describe some of their properties, such as side, face, edges and vertices.

Please share your work on Tapestry by Friday 24th May 2024.
