Class 4 Year 5 Homework Summer Term (1st half)

Weekly activities: Spelling activities; independent reading (20-25 minutes each night recorded in planners); practise multiplication tables (in random order and at speed); and one maths activity. Remember the white tasks are optional!

3. Famous in Sport

Research a famous sport's player of your choice. Write a detailed factfile about them. You might want to include: their background, their most notable achievements and why you chose them. Present your work using Google slides or hand write.

(Due by Wednesday 14th May 2025)

Weekly Maths Challenge

Complete one activity a week

Create some wild art outdoors...

(Taken from 50 things to do before you're 11% National Trust).

2. Design an experiment

For how long it takes for ice to freeze/melt.

How will you make it a fair test?

If you can, conduct your experiment, then present your results in a short report, including a table of results.

There are lots of ideas here to help:

at-melting/

(Due by Wednesday 7th May 2025)

Family Activity

Design a P.E 60 second challenge. Compete to find the winning family member.

You could create a table of results/take a picture to share!

4. Olympics!

Imagine that a country/city of your choice was hosting its own Olympic event. Design a new mascot and a logo for this event.

Try and include things that are significant to your country of choice.

(Due in by Wednesday 21st May 2025)

Art and Design Activity

Design some merchandise for your favourite sports team

1.Food Time

Plan a three-course meal that you might recommend to someone who enjoys keeping fit and healthy.

Write a short paragraph to explain why you made these choices.

You might even make one of them and review it! (Due by Wednesday 30th April 2025)

Writing Task

Write a short story using the theme of sport

You can choose to write or type on a Google Doc
