

Summer Term 2 - EYFS- Homework Grid

Weekly Activities: Reading daily (5 mins daily), phonics homework, phonics flashcards daily and numbots.

Please record your daily activities within your child's planner. In addition, your child should complete some of the following activities. We would love to see some of your completed activities so please share photos and videos by uploading them to Tapestry.

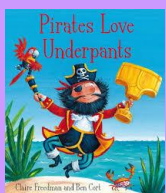

Pirates Love Underpants

Listen to the story and then talk about the book.

How did the pirates find the treasure?

What did the pirates find?

What do you need to remember about pants?

(Due on Tapestry by Friday 13th June 2025)

National Trust Activity

Set up a Snail Race.

Snails move super slowly so it's best not to give them too far to race, but that's not all you need to think about. Read the National Trust ideas for setting up a snail race.

(No. 17 - Taken from 50 things to do before you're 11 3/4 National Trust)

The Lighthouse

Using an apple, strawberry and banana, create your very own seaside lighthouse. Then write a sentence before eating your yummy creation.

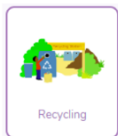

(Due on Tapestry by Friday 27th June 2025)

Purple Mash

To keep our oceans clean we need to remember the importance of recycling.

<https://www.purplemash.com/#app/games/simplecitydest/recycling>

It would be lovely to hear your child's thoughts on why it is important that we recycle.

Please share on Tapestry.

Seaside Shells

Collect shells at the beach and put them into groups of 10. How many groups of 10 will you need to make 100? (If you are unable to visit the beach, use your imagination and use pebbles in the garden)

Now enjoy a giggle together and see if your family can say the following tongue twister really quickly. Try and challenge yourself to say the first line.

Family Fun Rock Pooling

What do you think lives in a rock pool? Watch the clip to find out more about rock pooling.

<https://www.youtube.com/watch?v=OWj8ybLmePc>

Perhaps you could now go on your own rock pooling adventure.
